

Parking at St. Mary's

St. Mary's General Hospital has introduced a new parking system.

The new "Pay on Foot" is easy and convenient to use, and it is similar to systems in use in many organizations.

Visitors take a ticket upon entering the lot and then validate the ticket and pay for parking prior to exiting. Payment kiosks are located in the main lobby and the Emergency Department.

Parking revenues support patient care at St. Mary's General Hospital.

Paying for parking as easy as 1 2 3 4!

Step 1:

Approach the parking gate and take a ticket. The gate will open and you will be able to enter the parking lot.

Step 2:

Before you can exit the parking lot, you will need to take your parking ticket to one of the pay stations. They are located in the Main Lobby and in the Emergency Department

Step 3:

At the pay station, insert your parking ticket and pay the amount shown on the screen.

Step 4:

Take your paid parking ticket back to your car, drive to the exit gate, and insert the paid ticket in order to lift the gates. Alternatively you can insert your credit card at the exit gate and the amount owing will automatically be charged.

Frequently Asked Questions

Q: Are there same day in and out privileges?

No, if frequent daily visits are anticipated we recommend the purchase of a weekly or monthly pass.

Q: How do I access a long-term (weekly or monthly) pass?

Weekly and monthly passes can be purchased from either of the pay stations.

Q: What forms of payment are accepted?

The pay stations will accept coins, bills and credit cards. A bank machine is located in the Main Lobby if the use of a debit card is required.

Q: What if I forgot to pay at the pay station?

For those who have forgotten to pay, the exit machine will accept credit cards or you can park your vehicle and pay for your ticket at one of the two pay stations in the hospital.

Q: Are there accessible parking spaces?

There are a number of accessible parking spots located within close proximity to the entrance to both the main entrance and Emergency Department.

If you experience any difficulty with the parking equipment support is available 24/7.

Please contact the Security office located within the entrance to the Emergency Department.
