- (b) “Conflict of Interest” means any situation in which another interest or relationship impairs the ability of a Trustee to carry out the duties and responsibilities of a Trustee in an actual, potential, or perceived manner. Conflict of Interest includes, without limitation, the following areas that may give rise to a Conflict of Interest for the Trustees of the Hospital; namely:

- (i) *Pecuniary or financial interest*

A Trustee is said to have a pecuniary or financial interest in a decision when the Trustee (or an Associate) stands to gain by that decision, either in the form of money, gifts, favours, gratuities, or other special considerations;

- (ii) *Undue influence*

Interests that impede a Trustee in his duty to promote the greater interest of the whole community served by the Hospital.

Participation or influence in Board of Trustees decisions that selectively and disproportionately benefit particular agencies, companies and organizations, professional groups, or clients from particular demographic, geographic, political, socio-economic, cultural, or other groups is a violation of the Trustee’s entrusted responsibility to the community at large; or

- (iii) *Adverse Interest*

A Trustee is said to have an adverse interest to the Hospital when that Trustee or Associate is a party to a claim, application or proceeding against the Hospital.

5.2

- (a) Every Trustee who, either directly or through one of his Associates has, or thinks he may potentially have a Conflict of Interest shall disclose the nature and extent of the interest at a meeting of the Board of Trustees and may be asked to absent oneself during any subsequent discussion or voting process relating to or pertaining to the conflict.
- (b) A conflict of interest may occur with respect to a proposed or current contract, transaction, matter or decision of the Hospital, or any other matter that competes for the interest of the Trustee.
- (c) Trustees must avoid actual or potential conflict of interest, including but not limited to those identified in the definition of "Conflict of Interest" in this By-Law.
- (d) The declaration of actual or potential conflict of interest shall be disclosed to the Board of Trustees and/or at a meeting of a Board committee, the earlier of which the contract, transaction, or matter was first raised or when the member first became aware of the conflict;
- (e) If the Trustee (or his Associates) becomes interested in a contract, transaction, matter or decision after the Board of Trustees meeting at which it is first raised, the Trustee shall make a declaration at the next Board of Trustees meeting;
- (f) In the case of an existing contract, transaction, matter or decision the declaration shall be made at the first meeting of the Board of Trustees after the member becomes a Trustee or the interest comes into being;
- (g) If a Trustee has made a declaration of a conflict of interest in compliance with this By-Law, the Trustee is not accountable to the Hospital for any profit he or she may realize from the contract, transaction, matter or decision;
- (h) If the Trustee fails to make a declaration of his interest in a contract, transaction, matter or decision as required by this By-Law, this shall be considered grounds for termination of his or her position as a Trustee ;
- (i) The failure of any Trustee to comply with the Conflict of Interest By-Law of the Hospital does not, in or of itself, invalidate any contract, transaction, matter or decision undertaken by the Board of Trustees;
- (j) If a Trustee believes that any other Trustee is in a Conflict of Interest position with respect to any contract, transaction, matter or decision, the Trustee shall have the concern recorded in the minutes. At the request of the Chair, the Board of Trustees shall receive and obtain such information necessary to make an informed decision in respect of the alleged conflict of interest. Thereafter, at the request of

the Trustee who recorded the initial concern, the Board of Trustees shall, after the Trustee alleged to have a conflict has absented himself or herself from the room, vote on whether the Trustee alleged to have a Conflict of Interest is, in the opinion of the Board of Trustees, in a Conflict of Interest. If the Board of Trustees so finds the person in a Conflict of Interest, the Board of Trustees member may be asked to absent himself/herself during any subsequent discussion or voting process relating to or pertaining to the conflict. The question of whether or not a Trustee has a Conflict of Interest shall be determined by a simple majority of the Board of Trustees and shall be final;

- (k) If the Board of Trustees finds that the person is not in conflict, the Board of Trustees will then vote on the contract, transaction, matter or decision and the votes of each Trustee shall be recorded;
- (l) The Board of Trustees thereof shall record every declaration of a Conflict of Interest and the general nature in the minutes.

ARTICLE 6 - CONFIDENTIALITY AND COMMUNICATIONS

- 6.1 Every Trustee, officer and employee of the Hospital shall respect the confidentiality of matters brought before the Board of Trustees, keeping in mind that unauthorized statements could adversely affect the interests of the Hospital.
